Tom,

As we discussed, the Township is agreeable to payment of 6 years at your proposed interest rate. The Board is not agreeable to any amount more than the Statute of Limitations. I believe the total as calculated would be \$96,220.00. If this is agreeable, let me know if your Council will be approving administratively or by resolution and I'll do the same. I am checking on when the payment(s) can be made.

Thanks, let me know if you have any questions.

Dan
